

WELCOME

Medland Mitropoulos
Engineering Consultants

1987
Medland Mitropoulos Consulting Engineers was launched by Christopher Medland and Peter Mitropoulos in November, 1987. The office was located at Level 3 – 210 Queen Street Brisbane. At that time the business only comprised of Chris and Peter.

1988
We did mostly small projects and all were completed on a Sun Workstation Cad System – plots took one hour!

1989
One staff member put on (Administration). Medland Mitropoulos is now three with the welcome addition of an administrator.

1990
A blur.

1991
Second person enticed to join Medland Metropolis (another Engineer!)

1992
Chris and Peter bought a disused shoe factory at 109 Commercial Road, Teneriffe.

1993
Moved to 109 Commercial Road, Teneriffe, and our numbers grew during this year to seven.

1994
The Medland Metropolis mission as we know it was born. Our passion for Innovation was our trade mark.

1995
The Medland Metropolis brand was conceived.

1996
Reinforcement of the Brisbane market to prepare for the opening of the Sydney office.

1997
Medland Mitropoulos celebrated its 10th year.

1998
First year that turnover exceeded \$1 million and work began to occur in Sydney.

1999
January - Medland Metropolis Sydney office opened in serviced offices at 203 New South Head Road, Edgecliff. The office started with three people and grew to seven before Christmas of 1999. In September, the office was moved to 240 New South Head Road, Edgecliff.

2000
First year that company turnover exceeded \$2 million. Our numbers between the two offices grew to twenty-three permanent and three contract.

2001
The Sydney office relocated to 47 Murray Street, Pyrmont, in November of this year. Consolidated turnover increased in this financial year to just over \$3 million.

2002
Peter Mitropoulos moved onto other adventures with Chris becoming the sole owner of Medland Mitropoulos.

2004
\$5million turnover for the first time. Medland Metropolis Melbourne opened in October of this year. By December, there were three staff member. The office grew to six by the end of 2005

2005
The Brisbane office relocated to 936 Stanley Street East, Woolloongabba, in November of this year.

2006
We welcomed Richard Ismay back to the folds to run the new office in Auckland, New Zealand. In addition, Nick Crace, Craig Lovett and Iain McKern became shareholders and Directors in the company, a landmark highlighting the growth of Medland Mitropoulos.

2007
From Medland Mitropoulos to Medland Metropolis, we celebrated our 20th year. Late 2007 also saw the opening of our office in London with Iain McKern at the helm.

2008
Our numbers reached 85 globally!

2009
The London Office relocated to a new design studio at 56 Compton Street as the team and work grew.

2010
Each office started their Inspired Engineering journey. Inspired Engineering became the focal point of our company branding.
